I found that they are so much more casual about sex in Europe. Nothing was taboo and so I decided I'd try a younger man again. I had tried one once after my 50th birthday and it was a blast. I found younger men will listen to me and they take it slow.

MALL MOUTH

Of course you're not supposed to take the shortcut through the construction area; they ripped out all the sheetrock and left pipes and wires dangling everywhere. But I'm not the only mall employee who doesn't like hiking the long way to lunch.

Yesterday I was passing through when a guy in a hard hat shouted at me, "Hey! You shouldn't be in here! You're not dressed right for a construction zone."

"Not dressed right?" I eyed him up and made a snap decision. A little afternoon seduction might preserve my shortcut and liven up the day. I slipped my spandex dress over my head, revealing the totally naked me. I generally skip the undies, because my summer job is in an alternative CD store, and it's sort of expected that I'll dress to display my 20-year-old body. "Is this better?" I asked sweetly.

"It's... um..." He gulped, trying to remember what he'd been trying to say. Then he collected himself. "You need safety equipment. Like this." He tapped his hard hat. However, my gaze continued to be di-

Ahhh, mon Cherie,

I'm now 35 and I had sex with my now-retired 53 year old math teacher from private school. It was fifteen years ago when I returned home from college and went back to the school to say hello and thank her for getting me through school. Well, when I saw her, she looked just like your cover model, Cherie. I almost creamed my pants right then and there. Unconsciously I blurted out if she would have a coffee with me and to my surprise she agreed. Well, we talked for almost three hours and when I drove her back to her house, we sat in my car like school kids and she gave me a hand job, all the while talking about her classes. I creamed right there in my pants and kept going back the rest of the summer for more lessons from her.

rected somewhat lower. His jeans were loose enough to allow him to work, but I didn't have any trouble noticing that his personal pleasure piece hung to the left.

Licking my lips suggestively, I stared directly at the thickening lump in his worn, faded crotch. "I feel very safe with a knowledgeable guy like you around," I cooed. "Besides, I'm awful hungry. If I can't walk through to the food court, I think I'll serve myself right here." I walked up to him, reached down, and unzipped his pants. He didn't resist. His cock came bursting through to meet me, its purple head stretching attentively within the palm of my hand.

He moaned, his own stares focused on the small, perky cherries of my erect nipples. At my age, handling a guy's equipment is still something special; the minute I touched his cock, I felt my nipples stiffen and my clitty squirm. He twisted a little in my grasp, but he wasn't really putting up much of a struggle with his conscience. "Somebody else could try to walk through here any time," was about all he had to say in the way of warning.

"Then we'd better work fast." I knelt and took his

now fully hard cock in my mouth. I felt his eyes on me as I licked the shaft and made enthusiastic sucking noises. I like for guys to look at me. I'm naturally slim, with a butt that doesn't have a single dimple. Some people might think my tits are too small, but I never have to worry about sag; I just have a nice, perky bounce. And I have a small, flat belly, accented by the 14-karat gold ring in my outie bellybutton.

So you see, I really didn't mind the idea of being discovered naked, going down on this handsome guy with the hammer and the hard hat. If some lucky guy or girl stumbled along, I'd give them a good look before slipping on my dress. The thought made me horny, appealing as it did to my natural exhibitionist streak. There's a lot of flirting that goes on in an alternative CD store, with lots of cute customers who seem to come in with the express purpose of making your panties wet. I thought of a few of the hunkiest guys I'd seen that week and imagined how they'd react if they could watch me going down on this studly hard hat dude.

Well, you can figure out what happened next. I slipped a hand between my legs to rub myself off while I worked on the workman's cock with my mouth. I didn't bother to feel a trace of shame. My hand bobbed up and down about as fast as my head. There's a special spot just beneath my clitty. When I rub in that area, I can't help but wiggle my ass

all over the room. Naturally, because I was squirming so much, the back of my throat opened up wide and just suckled down the rest of my new friend's all-beef hot dog.

"God, I must be crazy," he gasped, but he made no move to get away from me. "If my boss comes back early...oh god...I should have the willpower to say no once in a while..."

I picked up the pace to discourage any such silly ideas. He couldn't quit now, not until I'd tasted everything! "Oh my god." His groans were becoming more and more frantic. "What a mouth you have. You are so beautiful, so fucking beautiful and, oh fuck, I'm gonna come, I'm gonna...."

I knew he was going to come, and I was ready to clamp down on his shaft and suck down every drop of his hot cream. "Oh, god," he repeated, over and over. For someone who was worried about being discovered, he was making an awful lot of noise.

When he was finished, I quietly backed away and picked up my dress. I was now all horny myself; I hadn't gotten off, but I'd made myself really excited. My lunchtime delight zipped himself up and looked at me with something like awe in his eyes.

"I sure wish I could get my wife to do that," he said. "The idea grosses her out."

"Her loss," I declared, moving toward the exit. "If you're still here when I come back through, maybe we can think of something else she doesn't do."

"You can't leave yet." Impulsively removing his hard hat, he placed it rakishly on my head. As I stood there naked, he knelt and licked my cunt until I could barely keep from yelling myself. The way his tongue worked, you could tell it was true that his wife didn't get into oral, because he ate me out like a starving man.

I think I'll really be enjoying that shortcut as long as it lasts!

PAYBACK TIME

It's a lazy Sunday afternoon here in muggy Kansas City and I'm sitting at the kitchen table thinking about things. Things that just have to write it down and I'll probably send it off, so if you're reading this, I decided to mail it off. I know it will probably get long, but hopefully not boring.

Like most women, my sister-in-law Shanna likes to shop. One day she got carried away at the mall and (inadvertently or not) spent all her rent money for July. She then asks my wife if we would loan it to her so that her husband wouldn't know. We agreed and dropped \$1,000 into her hands and told her to go right to the bank and put it in. Next month it was something else, then another thing until she was into us for almost twenty-five hundred dollars and I had to put a halt to it.

But she kept calling my wife who got mad at me for not helping her little sister. I didn't appreciate that because I had helped her and it was about time that she started paying us back or I was going to tell her husband. She begs me not to tell him and I was surprised when she told me she had thought of a way to pay us back.

She said she found out that Henry's business trips were not all about business. She intercepted some text messages from ladies in other cities but kept it all to herself. She said she had thought about fucking other

men to get back at him and to pay me back. She said she hadn't because she didn't know how to go about it and was afraid to go out alone with other men. I told her that if she was okay with revenge cheating on Henry, I'd help her out. I wanted payback.

The thought of sexing other men apparently excited her and so we sat down and formulated a plan. I told her if she were really serious I would help her. I somehow agreed and then she started squirming a bit. She said that I had to be there. I asked if she meant that she wanted me to actually be in the room while she fucked another guy? "Yes," she said. I agreed and told her that the night was still young and if she wanted to try it tonight, then we could leave in an hour or so. We talked a little more and she decided to dress in a short and a low cut blouse, with no panties or bra. She went home to change and when she returned she was wearing a thigh-high skirt with a short slit in the side of it and a thin blouse that did little to hide her erect nipples.

So, I took her to a well-respected nightclub with dinner and dancing, but also had a reputation as a bit of a meat market. When we entered, all eyes turned towards her and me, but then back to her. We took a booth back in the corner facing a table with a couple well-dressed men. She sat facing them and I told her while I went to get us drinks that I wanted her to spread her

legs and flash them without being too obvious. By the time I got the drinks and got back to the table, one of the men was already there.

He said this is a hot lady you have here, and I said "yes she is, and she's my sex slave and will do anything I want her to do." He asks me if I shared her and I told him yes but that she is expensive and I had to watch her perform.

He told me that he would give me a grand for the evening to do whatever he wanted to do to her.

I said she is all yours. We walked just across the street to the hotel where he was staying and took the elevator to his room. The door to his room wasn't shut well before he had both hands on her tits. I took a seat and watched as he lower his hand to her bare pussy and started fingering her and unbuttoned her blouse with his other hand, letting it slip off her arms to the floor. Now he lowers his

mouth to her nipples sucking one and then the other. I had been wondering how she would respond to a total stranger but he already had her moaning and squirming.

He took her to the bed, pushing her down on her back, spreading her legs wide and mounted her. She was so wet now that she took his nine-inch cock with on deep thrust. He left it in her for a while to let her get use to it and then began to fuck her fast, hard and deep like a machine. She's screaming for him to fuck her faster. She screamed as they came together. I watched as he climbed on her and told her to suck his cock. She went to work on it. I was hard as a rock watching her on her back sucking him with her legs still spread out.

She was really working on his cock now, and again he came in her mouth, just enough for her to taste it. He sent her to the bathroom to clean up as a knock came on the door. He answered

the door and it was his two friends. Shanna walked out of the bathroom still nude and was shocked to see them standing there eyeing her up and down. They all took turns with Shanna, fucking her pussy and mouth until midnight before he gave me two thousand dollars because his friends had joined in the fun.

When we got home I asked her if she was all right and she said it felt so good and I had the best time of my life. I hugged her and kissed her on the forehead. I gave her the two grand and told her she had earned it.

She told me to keep it as part of the money she owed, but I said that she should deposit it tomorrow and pay me when she had it all. I thought that having the money, even for a short while, gave her more confidence and she could actually see the benefits of her labor. Then she asks when are we going to get her fucked like that again? I told her when Henry was on his next business trip to call me. But she didn't know if she could or if she wanted to wait that long. I'm glad she's found a good gig.

—Jacques, CT

Linette was so hot during this shoot that the crew asked for some time away from the set so they could cool off. They were straining in their pants. She was really hot and knew when to turn it on and turn it up..

The best thing about being a porn star is the playing dress up, hair, makeup and playing personalities other than myself. I know you are thinking is there really a difference between Cory Chase and who I really am?

No, however I get to play all kinds of different characters. I get to star as a superhero, police officer, mother,

Cory & Alexis

daughter, dominatrix, and submissive in a lot of the video I make for my own productions. I like the variety and the challenge that comes with that when sometimes I play multiple characters in one day.

What is the worst thing about being a porn star?

The worst thing about being a porn star which I am sure is something every actress goes through is the lack of privacy. Once your life is out there on the screen and internet it is hard to get away. I do not have many issues with fans out in the public that come up to me and demand things. I am so happy my fans are respectful in that aspect. I also find with social media and fan interaction that I find it is also hard to disconnect. The world has gotten so much smaller with internet that it is crazy that I can interact with fans on the other side of the world at all hours of the day.

What would you say is your best and worst physical feature and why?

I love my body and I work hard at keeping it in the shape that it is in. I watch what I eat but I also do not deprive myself of things that I crave or want. I am a big believer in portion control. I am in the gym working out for about 30 min

a day 3-5 times a week. I do high intensity training that combines weight training and cardio at the same time.

As far as my worst feature goes there are little things here and there that I do not like that I wish I could change but at the end of the day those are the things that makes me who I am and I would not change it for the world.

Do you masturbate often? Who or what do you think about when you masturbate?

I do masturbate often I make a lot of masturbation videos for my fans for custom videos. I masturbate to the thought of their big large cocks, my sexy body and the act of my fans being cuckolded. In my personal life I usually do not have to do it at all I get enough of it at "work" or having sex.

What sexual fantasies have come true for you since you started working in porn?

Well in the beginning I would say I was pretty vanilla and I did not have

many sexual fantasies. I would have to say that porn has opened me up to sexual fantasies. I have found that I enjoy anal. I have found that I love masturbating under water. I have learned there are all kinds of different fetishes, fantasies and role playing that have been some really great turn-ons. I love my first foursome where I had every hole filled at the same time for a video. I would say it was an almost out of body experience. There is so much happenings and there are so many different emotions and feeling that go on that I felt like I had to go outside of myself and see it from the third person point of view. I am also very grateful that a lot of my firsts are video recorded and that I get to go back and watch the video and see it from the other perspective and reflect on the feelings I was having during the acts.

Describe one of the hottest sex scenes you've ever been involved in.

I would have to say it was my first foursome. "My Three

*Cory Chase
&
Alexis Fawx*

Sons" (TabooHeat.com) Like I was saying in the prior question where there is so much going on and your body is reacting to each of the stimuli from each of the sexual acts all happening at the same time that is was so overwhelming that I felt like I had to separate from myself just experience it fully.

Do you like being naked? What's it like having a job where you can be naked at work?

I love being naked. I think it is also in part that I hate doing laundry and if you are naked all the time then laundry is not issues. I could defiantly see myself living in a nudest colony in another life. I love having a job that allows me to be naked. I actually am a bit disappointed when I have been on some sets where I have a lot of locations changes and I have to get back into clothing just to move somewhere else. I have also done some scenes in the past where a lot of my clothing has stayed on for the entire movie and I felt like I was not able to fully en-

joy the whole experience.

Would you rather win an award for your acting or your sexual performance?

I would like to win one for both but that is not what drives me in my performances in my movies. I want to do my best in both aspects of my performance where the fans just love my work.

Do you feel you're underrated as a performer or feel you've been acknowledged by the industry rightfully so?

I do feel underrated because I have paved my own path in the adult industry. I have had the typical porn career where I have worked with so many of the other production companies throughout the US and then branch out and start making my own work. I got into this business doing my own thing and have been in the industry for many years because I have done my own thing. I work for my fans and try to give them what they want within reason. I have had

several type of requests from fans that I just can not do. I do find with the new direction porn is taking in the self production realm that I am being recognized as leader in the custom porn world.

Who are some of your favorite directors to work with and why?

I have loved working with all my producers I have worked with recently. I think I am pretty easy to work with and take direction pretty well. B Skow with Girlfriends Films and Brazzers. Dan the creator of Girlfriends Films have been amazing to see how he has been in the business for so long. Also helping Kevin Moore with his new series in the Blackmailed movies he is making was great.

When doing a g/g scene how do you deal with working with a girl who's not into girls at all?

It is hard at times and sometimes you just have to throw it all on her to show her what it takes to make a great g/g scene. At the end

of the movie they usually come up to me and say that they are really not into girls and that they were very surprised at how they after the scene and how comfortable I made them feel about themselves. I have to say I was the same way when I first started. I did not have any experience with a girl before porn and my first scene was very awkward but the model did the same to me as I do to others now.

Name one porn girl who's retired you wish would come out of retirement so you can do a hot scene with?

I am going to name two because they are both amazing. Lisa Ann and Sahsa Grey!

Are porn cliques real? Are you a part of a porn clique?

Yes porn cliques are real. They would not be cliques if they were not real. I do not think I am a part of any of the porn cliques and I think I am pretty vanilla outside of porn. I work to much on my own productions to fall in any of the categories.

Which of your movies are you most proud of?

I am pretty proud of them all. I do try my hardest at any clip or movie I make but I do think they have been your basic scenes. You have your intro, build up to sex the climax and the money shot finish. I do have a few private collection custom videos that will never been seen that are probably my best acting work.

What does the future hold for you?

Working with other production companies and hopefully a parody full length movie either made by myself or someone else.

Anything you'd like to say in closing to our readers?

I love you guys! I have been in this industry since 2005. I have no plans on leaving it and will continue to make the videos you want. I know with all the tube sites and ways to get free porn out there that it is so tempting to go that route but if you do not purchase your porn and stay interac-

Hi, I'm Carla and this is my new girlfriend Talia.

We've been seeing each other for about six months

when my photographer asked if we would do a shoot together.

Well, we did and it was fun. After a few more shoots,

he asked if we would get a little adventurous with a strap-on.

Carla & Talia

At first she was a little hesitant, but I wanted it. Imagine, getting the best of both worlds; a nice soft female and a hard piece of man-meat for my wet pussy!

strap-ons are fun-ons

Mr. Brown, are you going to put that big thing inside me?

what's a girl to do when the rent is due? home alone

ALONE AT HOME, THEN THE LANDLORD SHOWS FOR THE RENT.

This wasn't a road trip I wanted to make. Driving the hundred miles to Raleigh gave me ample time to think about what I was going to say to Mrs. Harris. It wasn't going to be easy asking her to leave the apartment, but she hadn't paid her rent in three months, and I just didn't have the funds or patience to let her take advantage of me any more.

"Hi, Mr. Brown," Kristy chirped, peeking around at me through the half-open door. "What can I do for you?"

She knows damn well what she can do for me, I thought. It was the first of the month, and the rent was due. But my beef wasn't with her, so I held my temper.

"Hello, Kristy," I replied in a calm voice. "Is you mother home?"

The petite 20 year-old stared blankly back at me with those bright green eyes of hers and shook her lovely blonde head. "No, I'm home alone! She had to work an extra shift."

"Damn!" I spat, forgetting whom I was talking to. "Did she leave an envelope for me?"

Once again I got the vacant expression. "I don't think so," she replied, wrinkling her button nose.

Her answer really pissed me off. I'm not such a bad guy, and I understood that Kristy's dad had run off years ago, leaving her mom to work two jobs just to make ends meet, but this was the third month in a row that she'd been late with the rent. The girl must

have seen my agitation because she quickly went on talking. "If you want to come inside, I'll take a look."

It sounded like a good idea to me, but once I was inside and got a gander at Kristy, I forgot about being angry. The little tart was wearing the tiniest red string bikini I'd ever seen!

"Sorry if I kept you waiting," she said, closing the door. "I was out back working on my tan."

"Uh huh," I sputtered, running my eyes over her nubile form. There was a hint of fleshiness around her soft shoulders, firm, round boobs, and round hips that was only accentuated by her skimpy swimsuit. The bra molded itself to her youthful bosom, and the bottoms pinched into the meat of her velvety, white thighs. When she saw me gawking, she struck a pose that made my already-rising cock get

stiffer. I realized then that she'd been stringing me along.

"There is no envelope, is there, Kristy?"

"Look, Mr. Brown," she cooed, scootching up closer, "my mom gets paid on Friday. I'm sure she'll pay you then. Can't you wait a few days?"

"Well...." I grumbled, thinking it over.

"If you cut my mom some slack, I could be real nice to you," she whispered, flashing me a sexy smile.

Then she did something I didn't expect. She

She seemed a bit skittish, but after a few minutes she gathered her courage and swooped down fast, engulfing half my shaft in one gulp. Of course it was too much for her...

looped her arms around my neck and, standing on tiptoe, kissed me hard on the lips. It was a sloppy, wet kiss, but it was still hot enough for me to react lustfully. Hugging her tight, I immediately made a grab for her bottom. Instead of being spooked by my bold behavior, Kristy whimpered softly and shot her tongue into my mouth. Now I was the one who was spooked.

“Let’s go into my room,” she murmured, breaking the kiss and pulling me along behind her.

“Want to see me naked?” she teased when we were inside her room.

While I gawked like an idiot, she moved fast. With just a few flicks of her dancing fingers, the two strips of cloth flew off in opposite directions, exposing her tender young body to my hungry eyes. From the gentle sweep of her shoulder-length blonde mane all the way down to her cute toes, Kristy was a vision. I took in her great-looking boobs, pointy pink nipples, curvy hips, and bare slit all at once. She plastered herself against me in a flash.

There was no reason to hold back now. Slithering my tongue into her hot mouth, I let my hands wander over her soft ass while she clumsily went to work on my clothing. She was horny enough, that was certain, but for all her seductive ways, I could tell that she was still a little inexperienced. When I was finally naked, I crashed onto her frilly bed, hauling her down with me. Even though her tongue still swirled lightly against mine, she stiffened noticeably in my arms.

“Ooooo! Jeez, Mr. Brown,” she whined, trying to fit her small hand around my monster cock. “It’s... it’s so big!”

“And what are you going to do with it, Kristy?” I asked, burrowing my face between her titties.

As I suckled on her tiny nips, she pondered the question and slowly stroked my cock. “I could try putting it in my mouth,” she finally said. “I’ve done that a few times with guys!”

“Get to it, girl,” I laughed, relaxing my hold.

Kristy swiftly scooted up to kneel at my side while maintaining her tentative grip on my cock. She seemed a bit skittish, but after a few minutes she gathered her courage and swooped down fast, engulfing half my shaft in one gulp. Of course it was too much for her, especially when I bucked my hips and sent the remainder of my length skidding down her throat. Gagging, she salivated lavishly, soaking my pubes. She rose quickly to the tip to catch her breath.

“It’s...it’s too big!” she whined.

“Try, honey,” I whispered, gently ruffling her silky, golden waves.

Shrugging her supple shoulders, she smiled wearily and wrapped her lush lips around my cock again. This time I held back, gliding only an inch or two of my cock into her hot mouth on each thrust. I kept that up until she’d gotten the hang of it, which wasn’t long at all.

The temptress turned out to be a natural-born cocksucker. After she learned to suppress her gag reflex, she was bobbing on my cock like a pro.

“Oh, yeah! Suck it, Kristy!” I moaned. “Yeah! Take it all down, baby!”

Convinced that she was doing fine on her own, I let my roving hands explore her flowing haunches until my fingers found her steamy slit. The sexy nymph was leaking pussy-juice like crazy, and every time I’d jab her, she’d moan sharply and suckle harder on my cock. Pretty soon the sweet odor of her aroused pussy became too tempting.

Grabbing her chunky hips, I lifted her hindquarters up over me and hauled her oozing, pink pussy down onto my waiting lips. The instant my tongue shot into her squishy slot, Kristy shrieked with delight. Wiggling her young haunches spastically, she deepthroated my cock and increased the suction, coaxing the cum from my bloated balls.

There was no time to warn her. My spunk shot

*The thought of her snug little pussy chewing up
my cock got me all fired up again. Taking her by
surprise, I flipped her over...*

down her throat like a geyser, causing my sweet lover to gulp frantically. But at about the same moment, my lower lip found her clit, sending her into an earth-shattering orgasm.

"Ohhh, god! Mr. Brown!" she wailed, coming off my cock so fast that my jizz spurted out onto the bedspread. "I'm coming! Eat my pussy! I'm coming!"

Gripping her round, flexing ass-cheeks, I held on for dear life as I eagerly siphoned off her tangy discharge. Kristy whimpered, moaned, and shook in my grasp for a long time before finally returning to my cock. With all the loving tenderness of a novice, she cleaned away every last bit of spunk from my privates, keeping my pole stiff in the process.

I just had to fuck her. The thought of her snug little pussy chewing up my cock got me all fired up again. Taking her by surprise, I flipped her over, swung up onto my knees, and had my bulbous crown poised at her nearly hairless entrance before she knew what was happening.

"Mr. Brown," she squealed, "are you going to put that big thing inside me?"

"I sure as hell am, sweetheart!" I groaned, hoisting her coltish legs up over my shoulders.

"Good," she hissed, wiggling her supple ass, "but I'll only let you if you agree to skip the rent completely. My mom needs a break!"

I know a good proposition when I hear one, so it didn't take me long to reach a decision. "You got it, honey," I growled.

"Not yet," she giggled, "but I will!"

The little vixen wanted it bad, and I wasn't going to disappoint her. Prying her puffy, pink labes apart with my knob, I reached around her plump upper thighs to clutch her breasts. Then I jacked my cock into her tight pussy.

"Aieee! Yes!" she howled. "Oh, Mr. Brown! Fuck me! Fuck me hard!"

With my cock smothered by her contracting vag-

inal muscles, there was no way I could hold back. Hunkering over her tiny, shivering body, I jackhammers into her snug pussy with all my strength until she was thrashing around in ecstasy.

"Shit! You're too hot!" I grunted, feverishly squeezing her ripe tits. "Take my cock! Take all my cock!"

"Ahhh! Yes! Uh huh! Nail me, Mr. Brown! Fuck my dirty little pussy! Fuck your nasty girl! Fuck me harder!"

Hearing her horny pleas, I laid into her with everything I had, pounding her pulsating pussy until my balls rebounded off her shimmering, upraised ass-cheeks with a loud smack. By now I was convinced that Kristy was the best piece of ass I'd ever had, but when she hit her peak, it got even better. Digging her heels into my back, she gyrated wildly and clamped her pussy around my driving cock like a vise.

"Eeeeeee! Mr. Brown!" she cried. "I'm...I'm coming again! Ohhhh! Fuck meee! Yes! Come with me! It's okay! It's okay! I'm... I'm on the pill!"

Of course, when I heard that, I realized that Kristy wasn't as innocent or as inexperienced as she had led me to believe. But at that point, it really didn't matter. Suddenly, I felt my spunk rising up from my balls with volcanic force. Bellowing at the top of my lungs, I spewed my thick, creamy load up inside Kristy's snapping pussy until I finally ran dry and collapsed in her waiting arms.

"God, Mr. Brown," she whispered, "you sure know how to fuck!"

"And you're a great little actress."

"Got ya!" Kristy cooed, giving me a sly wink. "So what do I tell my mom?"

"Tell her to forget the rent this time," I laughed, leaning down to kiss her sweaty forehead, "but I'll be back again on the first of next month."

"Ooooo, yeah," she trilled, "and I'll be here—just for you!"

There was no doubt in my mind about that!

It was about five years ago when I woke up one morning and had a raging sexual thirst. I wanted cock. I didn't understand why I was so suddenly horny, but my pussy needed satiating.

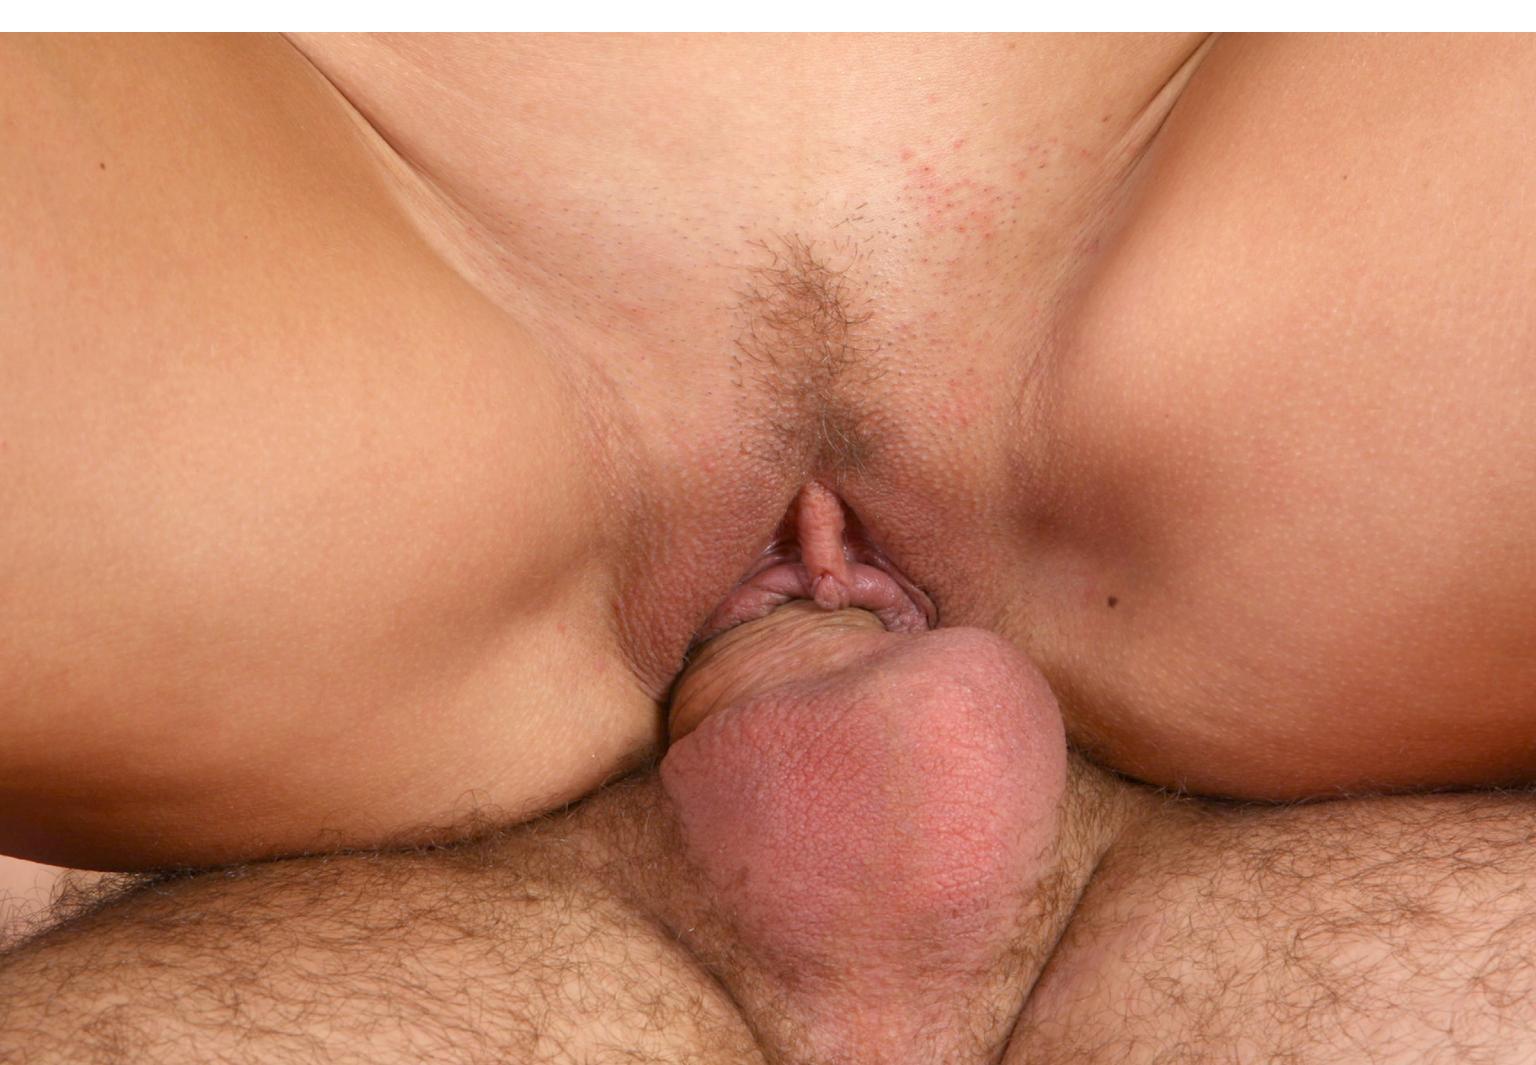

Rhonda

I didn't know what to do because my husband died several years before and now I'm stuck with an aching pussy and nothing to quench it's thirst for cock.

i love a hard fuck

Aleana

About four years ago I gave my husband some sexy lingerie pictures for our anniversary. They really seemed to turn him on, so I've been doing it every year since then. Well, last year I asked a photographer to take some nude photos of me and she agreed to it.

I got into my sexiest lingerie and slowly began to take it off until I was totally naked. I was a bit hesitant at first, but by the time my panties came off, I was pretty comfortable with it.
